Diversity monitoring form

The GDC is committed to promoting and developing equality and diversity in all our work. We want to be sure that our policies and ways of working are fair and do not discriminate against individuals or groups. To help us to monitor the effectiveness of our policies and practices we ask you to complete the monitoring form attached (or below – depending on where this statement appears). This information will be treated in the strictest confidence under the Data Protection Act 1998 and will be used to produce statistics to enable the GDC to look at the diversity profile of our staff, registrants and others with whom we work. Through this we can check a variety of processes to ensure equality and address issues as they arise.
