General Dental Council: Information released under the Freedom of Information Act

Date released: 5 July 2022

Request:

I would like to know how many from the total number of Dentist registrants (42527) are non-specialists. Can you please help with that?

Response:

Thank you for your request for information dated 12 June 2022 asking how many of the 42,527 Dentists registered are non-specialists.

Your request is being handled under the Freedom of Information Act 2000 (the FOI Act). We can confirm that 38,710 Dentists registered are non-specialists.
