This guidance should be read in conjunction with “Guidance Notes for EEA Dentists”.

### Evidence of Primary Dental Qualification from Liechtenstein

If you have an appropriate European Diploma for the purposes of Schedule 2 of the Dentists Act 1984, you will be eligible for registration with the GDC under Section 15(1)(b) of the Dentists Act. An appropriate European Diploma is one which falls under one of the following categories A-D:

#### Qualifications listed in Annex V, point 5.3.2 of Directive 2005/36/EC

- A** If you have a diploma in dentistry which was granted in Liechtenstein, this will be an appropriate European diploma if you can provide evidence of the qualification listed in Annex V, point 5.3.2 of Directive 2005/36/EC<sup>1</sup> as follows:

Evidence of formal qualifications:	The diplomas, certificates and other titles awarded in another State to which this Directive applies and listed in the present Annex

Certificate accompanying the evidence of qualifications	Certificate on the completed practical training issued by the competent authorities

You will not need to provide an EEA Compliance certificate. If your qualification is less than the 5000 hours required by the directive but was awarded before 18<sup>th</sup> January 2016 this will also be a qualification entitled to automatic recognition.

- B** However, if your diploma is listed in Annex V point 5.3.2 of the Directive but was granted **before the reference date<sup>2</sup>, 1 May 1995 (or on or after that date where the training was commenced before that date)<sup>3</sup>** it is not an appropriate European diploma **unless** either

**Qualifications not listed in Annex V point 5.3.2 of the Directive**

**C** If you have a diploma which was granted in Liechtenstein **on or after 1 May 1995** which is not evidence of training commenced by the holder before that date, and which is not listed in Annex V, point 5.3.2 of the Directive, this is not an appropriate European diploma unless you can produce an EEA Compliance certificate issued by the competent authority in Liechtenstein certifying that the diploma—

**My qualification is from Liechtenstein but it does not meet the requirements above for an ‘appropriate European diploma’ for the purposes of the Act. Do I have an alternative route to registration?**

If you are an exempt person and you do not meet the criteria above under Section 15(1)(b), you may apply for registration under 15(1)(ba) of the Act for recognition of your qualification under the ‘general systems’.

The GDC will provide you with further guidance on this route to registration. Information on this route can also be found in the GDC’s guidance document *“Frequently Asked Questions - Application for registration as a Dentist under Section 15(1)(ba) Dentists Act 1984”*.
