

TITLE	RATIONALE FOR PRIORITY STATUS
<b>KPI/FCS/001 - Organisational Income Collected</b>	<b>Rationale for priority status:</b> Seasonal inclusion of this measure following the Q4 Dentist ARF collection, to provoke discussion of whether the level of income collected has a bearing on planned activity/performance for 2017.
<b>KPI/FCS/002 - Forecast FTP Expenditure</b>	<b>Rationale for priority status:</b> The delivery of FTP activity within budgeted levels is a key organisational priority and is included to provide ongoing board visibility of cost control in this area.
<b>KPI/FCS/003 - Forecast Non-FTP Expenditure</b>	<b>Rationale for priority status:</b> The delivery of Non-FTP activity within budgeted levels is a key organisational priority and is included to provide ongoing board visibility of cost control in this area.
<b>KPI/HRG/004 - Staff Sickness</b>	<b>Rationale for priority status:</b> Staff sickness levels across the organisation is recognised to be of key importance to help to provide capacity for the organisation to deliver its business plan and business as usual activities.
<b>KPI/HRG/005 - Natural Turnover</b>	<b>Rationale for priority status:</b> Staff retention across the organisation is recognised to be of key importance to help to provide capacity for the organisation to deliver its business plan and business as usual activities.
<b>KPI/REG/004 - UK DCP Applications Active Processing Time</b>	<b>Rationale for priority status:</b> Seasonal inclusion as one of the Registration timeliness KPIs recognised to be most at risk of being missed due to high volumes of activity in this period (to be changed on a quarterly basis).
<b>KPI/REG/006 - Restoration Applications Active Processing Time</b>	<b>Rationale for priority status:</b> Seasonal inclusion as one of the Registration timeliness KPIs recognised to be most at risk of being missed due to high volumes of activity in this period (to be changed on a quarterly basis).

<p><b>KPI/FTP/014 - FTP Interim Orders Timeliness: Registrar and Case Examiner Referrals</b></p>	<p><b>Rationale for priority status:</b> This KPI relates to the question in the PSA dataset about IOC timeliness and is included to assist ongoing board monitoring of timeliness to support the attainment of standard four.</p>
<p><b>KPI/FTP/005 - Timeliness: From Receipt to Case Examiner Decision</b></p>	<p><b>Rationale for priority status:</b> This KPI relates to the question in the PSA dataset about casework timeliness and is included to assist ongoing board monitoring of timeliness to support the retention of standard six.</p>
<p><b>KPI/FTP/008 - FTP Timeliness: Overall Prosecution Case Length</b></p>	<p><b>Rationale for priority status:</b> This KPI relates to the question in the PSA dataset about full case timeliness and is included to assist ongoing board monitoring of timeliness to support the retention of standard six.</p>
<p><b>KPI/FCS/009 - GDC Website and Online Register Availability</b></p>	<p><b>Rationale for priority status:</b> Included due importance of GDC website availability for public access to key GDC information, and in particular due to the to fulfil the key statutory duty to keep the GDC Register available to the public.</p>
<p><b>KPI/FCS/010 - Dynamics CRM Availability</b></p>	<p><b>Rationale for priority status:</b> Included due to importance of Dynamics CRM system availability due to the need for approximately 200 members of staff to have the system available to undertake work on key processes.</p>
<p><b>KPI/FTP/006 - FTP: Proportionate Split of Internal and External Legal Referrals</b></p>	<p><b>Rationale for priority status:</b> This measure has been identified as a key driver of organisational cost and is included for ongoing scrutiny of cost control in this area.</p>
<p><b>KPI/FTP/025 - Serious Data Breaches</b></p>	<p><b>Rationale for priority status:</b> This KPI relates to the question in the PSA dataset about ICO referrals and is included to assist ongoing board monitoring of data breach volumes to support the attainment of standard ten.</p>
<p><b>KPI/REG/002 - UK Dentist Applications Average Active Processing Time</b></p>	<p><b>Rationale for priority status:</b> Seasonal inclusion as one of the Registration timeliness KPIs recognised to be most at risk of being missed due to high volumes of activity in this period (to be changed on a quarterly basis).</p>
