

List of useful organisations and guidance

We have compiled a list of organisations and guidance documents that may help you to ensure that you are aware of, and are adhering to, laws, regulations and best practice guidance affecting your work.

This list is not exhaustive; you have an individual responsibility to find out about laws and regulations that apply to your clinical practice, premises and employment of staff, and must follow them at all times.

[1. Professional Associations](#)

[2. Indemnity Providers](#)

[3. Departments of Health](#)

[4. Other regulators](#)

[5. Organisations](#)
